Year 5

Week 6 Lesson 3

Independent Task:

To derive addition and subtract decimal facts.

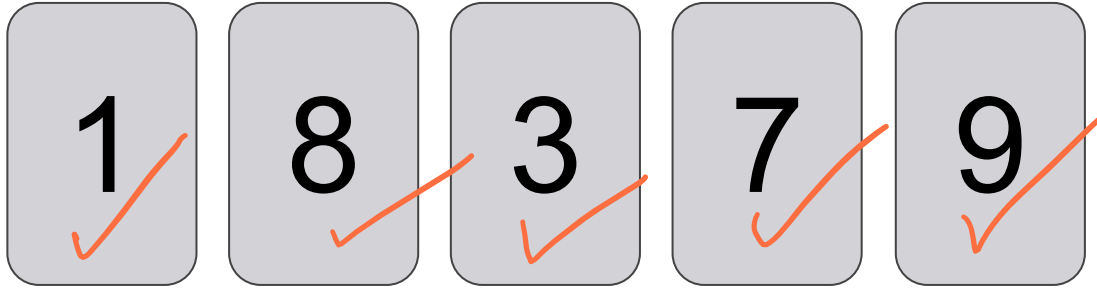

Mr Barton and Mrs Shore

OAK
NATIONAL
ACADEMY

Independent Task - 5 subtraction steps to zero

Here are 5 digits:

You are starting at 1. Using the five digits as either **tenths** or **hundredths**, how close can you get to 0?

$$1 - 0.9 - 0.3 - 0.08 - 0.07 = 0.75 \approx 0$$
